1. GENERAL INFORMATION

A. ABOUT TANZANIA EDUCATION AUTHORITY (TEA)

Tanzania Education Authority (TEA) was established under section 5 (1) of the Education Fund Act, No.8 of 2001 to manage the Education Fund. The Education Fund was established under the same Act with the intention of supplementing the Government's efforts in financing education. According to section 4 (3) of the Act, the monies deposited in Fund shall be used for the purposes of improving quality, access and equity of education at all education levels in the mainland Tanzania and higher education in Tanzania Zanzibar.

B. Our Vision

TEA aspires to be a reliable Education Fund responsive to national educational needs through diversified interventions for Tanzania's sustainable education development.

C. Our Mission

To secure financial and material resources for the Education Fund and effectively deploy those resources to support educational and skills development programs for improved quality, access, and equity to education and skills development.

D. Functions

Section 6 of Education Fund Act, - 2001 as amended thereof, provides the principal functions of the Tanzania Education Authority include:

- a) To provide funds to supplement the provision of education at all levels.
- b) To advise the Government on new sources of revenue for the purpose of ensuring an adequate and stable flow of money into the Fund.
- c) To raise the quality of Education and increase access and equity.
- d) To promote education and training according to needs within the framework of overall national socio-economic development plans and policies.
- e) To apply the money deposited into the Fund for the purpose of improvement and promotion of education.
- f) To develop and make a periodic review of the formula for allocation and disbursement of the financial resources of the Authority to different educational levels except that, at least fifty per cent of the financial resources shall be provided to finance basic and secondary education.
- g) To develop and make a periodic review of the resources allocated for facilitation of education to students with disabilities.
- h) To monitor the use of the funds disbursed and ensure adherence to objectives of the Fund other than the funds allocated to other institutions specified under this section.
- i) To apply the monies deposited into the Fund for the purpose of giving effect to the mandate of the Authority, the Higher Education Students' Loans Board, the Tanzania Commission for Universities and the National Council for Technical Education pursuant to the formula specified in the Third Schedule, except that, the funds so applied shall relate to the sources specified under section 13(a) to (c). Provided that the Authority shall consult with the Institutions referred to in this section in the application of the money deposited into the Fund.
- j) To receive gifts, donations, grants or other money on behalf of the Fund.
- k) To sponsor and provide facilities for higher learning and to establish a relationship or association with institutions both nationally and internationally.

E. Our Core Values

TEA is committed to exercising team spirit, transparency, objectivity, gender sensitivity and equitable treatment in offering prompt and quality services to its stakeholders with due integrity, courtesy and professionalism.

2. LETTER OF TRANSMITTAL

Hon. Prof. Adolf F. Mkenda (MP),
Minister for Education, Science and Technology,
Government City - Mtumba,
P.O. Box 10,
DODOMA.

Pursuant to section 16(3) of the Education Fund Act, No. 8 of 2001, I am honored to submit the Tanzania Education Authority's Annual Report and Audited Financial Statement for the financial year 2021/2022. The report presents the Authority's operational activities and projects implementation for the period under review. In the report, you will find a Statement of the Chairperson of the Board; Statement of the Director General; an Annual Performance Review; the independent review of the Controller and Auditor General, and Audited Financial Statements.

Expectedly, the report is going to make a significant contribution on education issues for the use of the government and all other industry stakeholders.

We look forward to your continued support and guidance in the future as we implement the education sector policies aimed at enhancing equity, quality and access to education in Tanzania.

Prof. Maurice C.Y Mbago
BOARD CHAIRPERSON

3. MESSAGE FROM BOARD CHAIRPERSON

BOARD CHAIRPERSON'S STATEMENT

It is a great privilege to lead the Board of Directors of Tanzania Education Authority (TEA) and to present to you the Authority's overview of the institution's Annual Performance Report and Financial Statements for the year ending 30th June 2022.

During the report period, the Authority continued to implement its activities in line with its vision, mission and objectives as outlined in the organisation Rolling Corporate Strategic Plan 2021/22 to 2025/26. Thus, the Authority successfully implemented annual planned activities in accordance with the performance agreement between the Board of Directors and the Treasury Registrar, with an overall annual performance of 81%.

Accordingly, the Board continue with its oversight role for Authority's improved performance while working to unlock new opportunities. Thus, the Board worked closely with Authority's Management to ensure TEA secured the needed resources and uses them properly in implementation of approved activities while providing financial oversight for proper financial controls.

Specifically, the Authority engaged in supporting infrastructural development in both Tanzania Mainland and Tanzania Zanzibar. The Fund Assisted Education Development Projects (FASEDP) included; teaching, and learning facilities for Special Education, construction of laboratories, dormitories, classrooms, teacher's offices, teacher's houses as well as procurement of teaching and learning facilities for higher education institutions in Zanzibar.

With regard to Resources Mobilization, the Authority continue with sensitization and strengthening collaboration with education stakeholders from both the public and private institutions within and outside the country. Similarly, the Authority continued with awareness creation on District Council's Education Fund for enhancing the revenue scope and efficiency in implementation of projects.

It is my sincere hope that the general public as well as the Government will continue to commit sufficient resources to the Education Fund in order for TEA to implement planned interventions that will bring positive impact to the education sector and significantly improving quality, equity and access to Education sector in Tanzania.

Prof. Maurice C.Y. Mbago

BOARD CHAIRPERSON

4. STATEMENT OF THE DIRECTOR GENERAL

On behalf of the Management of Tanzania Education Authority (TEA) I am honored to report on performance in the fiscal year ended June 30, 2022. The report shows how the Authority successfully implemented its Annual Work Plan to support the government's efforts to improve, quality, access and equity to education and skills development in the country.

In the financial year 2021/2022, the Authority implemented a total of 160 projects worth **TZS. 8,840,000,000.00** through the Education Fund, while 98 projects were implemented through Skills Development Fund (SDF), of which **TZS. 2,719,074,899.99** was disbursed to 54 projects out of 98 SDF phase two, Internship, as well as Innovative and E- learning Training providers.

The projects funded by the Education Fund includes; construction of classrooms, construction of pit-Latrines, construction of government English medium primary school in Dodoma City, procurement of Teaching and Learning (T&L) materials for students with special needs, construction of science laboratories and construction of teachers' Offices. The Education Fund also facilitated provision of Teaching and Learning Materials and development of infrastructure in one Higher Learning Institution in Zanzibar.

The 98 SDF projects implemented included; 81 SDF Phase II projects which focused on six (06) priority sectors namely Agriculture and Agribusiness, Tourism and Hospitality, Energy, Construction, Transportation and Logistics and Information, Communication and Technology. The projects also included ten (10) internship projects and seven (07) Innovative Training and E-learning projects. As of 30th June 2022, the SDF project had benefited a total of 33,725 beneficiaries under skills development trainings.

On resources mobilization for the Education Fund, the Authority successfully carried out joint projects worthy of **TZS 514,000,000.00** with education stakeholders. The joint projects involved construction of six (06) teachers' houses jointly done with Flaviana Matata Foundation, provision of 60 laptops and 60 tablets from BRAC Maendeleo Tanzania in three (3) secondary school in Dar es Salaam, construction of 2 classrooms, fabrication of 150 desks for 08 schools by TANAPA.

I would like to thank the Government of the United Republic of Tanzania for the continued allocation of funds to enable the Authority to carry out its duties. I also thank all education stakeholders for their continued support and contributions to the education sector through the Education Fund. TEA greatly appreciates all contributions and provides an assurance that all donations received are being used as intended. We further pledge that we will continue to play our role diligently and professionally for the development of the Education Sector and the nation as a whole.

Bahati I. Geuzye
DIRECTOR GENERAL

8.3. Challenges

During the Financial Year ended 30 June 2022 TEA encountered a number of challenges. The use of Force Account with standardized costs in all areas have resulted in difficulty in project completion due to additional costs as a result of locations, prices and resistance of community participation. Similarly, beneficiaries encountered challenges in accessing project funds that are usually channelled through District Councils accounts budgetary systems through Facility Financial Accounting and Reporting System (FFARS) which leads to delays in project completion.

9. STATEMENT OF DIRECTORS RESPONSIBILITY

These financial statements have been prepared by the Board of Directors of Tanzania Education Authority in accordance with the provisions of section 25 (4) of the Public Finance Act, No. 6 of 2001 (Revised 2004). The financial statements as required by the said Act are presented in a manner consistent with the International Public Sector Accounting Standards (IPSAS) - Accrual basis of accounting.

The Board of Tanzania Education Authority is responsible for establishing and maintaining a system of effective Internal Control designed to provide reasonable assurance that the transactions recorded in the accounts are within the statutory authority and that they contain the receipt and use of all public financial resources by Tanzania Education Authority.

To the best of our knowledge, the system of Internal Control has operated adequately throughout the reporting period and the financial statements and underlying records provide a reasonable basis for the preparation of the financial statements for the financial year ended 30 June 2022.

We accept responsibility for the integrity of the financial statements, the information they contain and their compliance with the Public Finance Act, No. 6 of 2001 (revised 2004) and instructions issued by the Ministry of Finance and Planning in respect of the year under review.

10. DECLARATION OF THE HEAD OF FINANCE OF TANZANIA EDUCATION AUTHORITY

The National Board of Accountants and Auditors (NBAA) according to the power conferred under the Auditors and Accountants (Registration) Act, No. 33 of 1972, as amended by Act No. 2 of 1995, requires Financial Statements to be accompanied with a declaration issued by the Head of Finance/Accounting responsible for the preparation of Financial Statements of the entity concerned.

It is the duty of a Professional Accountant to assist the Authority to discharge the responsibility of preparing Financial Statements of the Authority showing a true and fair view of the Authority's Financial Position and Performance in accordance with applicable International Public Sector Accounting Standards (IPSASs) and statutory financial reporting requirements.

Full legal responsibility for the preparation of Financial Statements rests with the Authority's Board as stated in the Statement of Directors' Responsibilities under section 2.33 of this report.

I, CPA Mwanahamis Omary, being the Head of Finance and Accounting of Tanzania Education Authority hereby acknowledge my responsibility of ensuring that Draft Financial Statements for the year ended 30 June 2022 have been prepared in compliance with applicable accounting standards and statutory requirements.

I thus, confirm that the Financial Statements comply with applicable accounting standards and statutory requirements as at that date and that they have been prepared based on properly maintained financial records.

INDEPENDENT REPORT OF THE CONTROLLER AND AUDITOR GENERAL

Chairman of the Board,
Tanzania Education Authority,
P.O Box 34578,
Dar es Salaam.

1. REPORT ON THE AUDIT OF FINANCIAL STATEMENTS

Unqualified Opinion

I have audited the financial statements of Tanzania Education Authority, which comprise the statement of financial position as at 30 June 2022, and the statement of financial performance, statement of changes in net assets and cash flow statement and the statement of comparison of budget and actual amounts for the year then ended, as well as the notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements present fairly in all material respects, the financial position of Tanzania Education Authority as at 30 June 2022, and its financial performance and its cash flows for the year then ended in accordance with International Public Sector Accounting Standards (IPSAS) Accrual basis of accounting and the manner required by the Public Finance Act, Cap. 348.

Basis for Opinion

I conducted my audit in accordance with the International Standards of Supreme Audit Institutions (ISSAIs). My responsibilities under those standards are further described in the section below entitled "Responsibilities of the Controller and Auditor General for the Audit of the Financial Statements". I am independent of Tanzania Education Authority in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the National Board of Accountants and Auditors (NBAA) Code of Ethics, and I have fulfilled my other ethical responsibilities in accordance with these requirements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the financial statements of the current period. I have determined that there are no key audit matters to communicate in my report.

Other Information

Management is responsible for the other information. The other information comprises the Directors Report, statement of management responsibility and Declaration by the Head of Finance but does not include the financial statements and my audit report thereon which I obtained prior to the date of this auditor's report.

My opinion on the financial statements does not cover the other information, and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work I have performed on the other information that I obtained prior to the date of this audit report, I conclude that there is material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IPSAS and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the

going concern basis of accounting unless management either intends to liquidate the entity or to cease operations or has no realistic alternative but to do so.

Governing Board is responsible for overseeing the entity's financial reporting process.

Responsibilities of the Controller and Auditor General for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an audit report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my audit report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the entity to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are, therefore, the key audit matters. I describe these matters in my audit report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest of such communication.

In addition, Section 10 (2) of the Public Audit Act, Cap 418 requires me to satisfy myself that the accounts have been prepared in accordance with the appropriate accounting standards.

Further, Section 48(3) of the Public Procurement Act, 2011 requires me to state in my annual audit report whether or not the audited entity has complied with the procedures prescribed in the Procurement Act and its Regulations.

2. REPORT ON COMPLIANCE WITH LEGISLATIONS

2.1. Compliance with the Public Procurement laws Subject matter: Compliance audit on procurement of works, goods and services

I performed a compliance audit on procurement of works, goods and services in the Tanzania Education Authority for the financial year 2021/22 as per the Public Procurement laws.

Conclusion

Based on the audit work performed, I state that procurement of goods, works and services of Tanzania Education Authority is generally in compliance with the requirements of the Public Procurement laws in Tanzania.

2.2. Compliance with the Budget Act and other Budget Guidelines Subject matter: Budget formulation and execution

I performed a compliance audit on budget formulation and execution in the Tanzania Education Authority for the financial year 2021/22 as per the Budget Act and other Budget Guidelines.

Conclusion

Based on the audit work performed, I state that Budget formulation and execution of Tanzania Education Authority is generally in compliance with the requirements of the Budget Act and other Budget Guidelines.

Authority Budget Preparation and Presentations

- i. The budget is approved on a modified cash basis by functional classification. The Authority's approved budget covers the fiscal period from 01 July 2021 to 30 June 2022.
- ii. The Authority's budget and Financial Statement were prepared on different basis. The Financial Statements are prepared on accrual basis using a classification based on the nature of expenses in the Statement of Financial Performance whereas the budget is prepared on a modified cash basis.
- iii. The amounts in the financial statements were recast from the accrual basis to cash basis and reclassified by presentation to be on the same basis as the approved budget. Further, adjustments to amounts in the financial statements for timing differences associated with the continuing operations were made to express the actual amounts on a comparable basis to the final approved budget. The amount of the adjustments is identified to the note.
- iv. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, presented in the Statement of Comparison of Budget and Actual Amounts. The excess of actual amount over the final budget of above 10% are explained.
- v. For expenditure a positive variance represents under expenditure while negative variance represents over expenditure. For income positive variance represents over collection while negative variance represents under collection of income.
- vi. A reconciliation between the actual amounts on a comparable basis as presented in the Statement of Comparison of Budget and Actual Amounts and the actual amounts in the Statement of Cash Flow for the year ended 30 June 2022 presented in this report.

NOTES TO THE FINANCIAL STATEMENTS

1.0 ACCOUNTING POLICIES

1.1 Basis for Preparation of the Financial Statements

Financial Statements have been prepared under the historical cost convention in Tanzania Shillings with modifications where considered necessary to incorporate revaluation adjustments on property, plant and equipment. The Financial Statements have been prepared in accordance with International Public Sector Accounting Standards.

The accounting policies have been consistently applied in these financial statements.

1.1.1 The Tanzania Education Authority adopted the following Fundamental Accounting Concepts: -

- Going Concern Concept
- Accrual Basis of Accounting
- Matching Principle of Accounting

1.1.2 The Accounting Policies as detailed in the financial statements were developed considering the following criteria: -

- Prudence
- Substance Over Form
- Relevance and Materiality

1.2. Summary of Significant Accounting Policies for the Year ended 30 June 2022

1.2.1. Property, Plant and Equipment

Property, Plant and Equipment are initially recorded at cost and later modified whenever revaluation is undertaken in order to incorporate the revaluation adjustments in the accounts.

Cost comprises of expenditure that is directly attributable to the acquisition (purchase or construction) of the item. Subsequent costs are included in the asset's carrying amount, only when it is probable that the future economic benefits associated with the use of the asset will be realized.

1.2.2. Depreciation of Assets

Depreciation is charged on assets from the date when they are ready for use and stop on the date when the asset is derecognized by the Authority. Assets that are subject to depreciation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. Gains and losses on disposal are determined by comparing the disposal proceeds with the carrying amount and the resulting difference credited/charged to Statement of Comprehensive Income.

An item of property and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property and equipment is determined as the difference between the disposal proceeds and the carrying amount of the asset and is recognised in statement of financial performance.

Land is not depreciated as it is deemed to have an infinite life. The carrying values of property and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

Depreciation expense on Property, Plant and Equipment and amortization of intangible assets are charged on a straight-line method using approved depreciation rates as shown hereunder.

S/N	NAME OF ASSET	RATE (%)
1	Motor Vehicles	20
2	Plant and Equipment	20
3	Furniture and Fittings	20

4	IT Hardware	25
5	Office Machines	20
6	Building	2

In the financial year under review, MoFP informed the Public Institutions to conduct valuation of Asset the Management has adopted historical cost model on valuation of its fixed assets.

The reason behind was to comply with Government Circular No. 2 of 2018. Further, the Management has reviewed the economic life of its assets based on the condition of the assets such as new, very good, defective, bad and poor to conform to Government Guideline (The Public Assets Management Guideline 2019 issued by the Ministry responsible for Finance and Planning aimed at addressing policy, legal, regulatory, operational and technological challenges arising in the course of managing public assets).

1.2.3. Amortization of Intangible Assets (IT-Software)

Intangible Assets which comprise of IT Software are amortized over a period of 4 years at a rate of 25% per annum.

1.2.4. Non-Current Assets (Intangible Assets)

As per IPSAS 31 the Authority acquired computer software licenses and web development costs are capitalized on the basis of the costs incurred to acquire and bring to use the specific assets. Cost of acquiring software that is regarded as an integral part of some identifiable hardware is recognized as part of the cost of the hardware. Costs of acquiring other software are recognized as intangible assets and are amortized over their estimated useful lives.

Costs that are directly associated with the production of identifiable and unique software products controlled by the Authority and will probably generate economic benefits exceeding

costs beyond one year, are recognized as intangible assets. Direct costs include the costs of software development, employees and an appropriate portion of relevant overheads.

Other costs associated with developing or maintaining computer software programs are recognized as an expense as incurred. Computer software costs recognized as assets are amortized over their estimated useful lives.

Amortization expense for intangible assets has been computed at a rate of 25% for IT Software.

Likewise, intangible assets' useful lives (amortization period) are reviewed only when the conditions warrant the review at the date of the Statement of Financial Position.

1.2.5. Cash and Cash Equivalent

The Authority's cash comprises of cash in hand and demand deposits with banks. Cash Equivalent comprises of investments in money market instruments (fixed deposits) with maturity periods of not greater than twelve months.

1.2.6. Loans Receivables Due

Loans Receivable Due are disclosed in the Statement of Financial Position and recognised as current asset.

1.2.7. Inventories

The Authority inventories are recorded before being utilized or kept into the storage facility at cost. In case of donated inventories, values shall be determined based on current market price. Further, the Authority's inventories are reported as an expense when deployed for utilization or consumption in the ordinary course of operations.

1.2.8. Revenue Recognition

i. Non-Exchange Revenue

The Authority's non-exchange revenue includes income received direct from the government in form of a fee, taxation and received from prominent donor in a form of gift or donations. The Authority recognized the inflow of resources from a non-exchange transaction as an asset/revenue except to the extent that a liability is also recognized in respect of the same inflow.

ii. Revenue from Exchange Transactions

The Authority's Exchange revenue includes revenue from interest on loans, disposal of assets, interest income and document fees.

iii. Interest Income

The Authority recognizes revenue from interest on a time proportion basis that considers the effect of simple interest rate schedule on the asset. Interest income is accrued using simple interest rate schedule.

iv. Revenue from Disposal of Assets

The Authority recognize revenue from the disposal of goods when the significant risks and rewards of ownership have been transferred to the buyer.

Prior year Adjustment of Institutional loan as indicated above was due to reconciliation of outstanding loan balances with the loan Institution. It was observed that there is computation error for Winning Spirit Secondary School loan balance as repayment was not captured in the books of account since 2014. In addition, the loan for Agape Secondary school was wrongly capture into our books of accounts. Adjustment has been done to rectify the error of the outstand loan balance of the two institutions.
